III. Read the text and decide whether the following sentences are true (A, B, C or D):

There are many TV shows about young people and their problems. We ask two youngsters, Rita and Meg, about their favourite series and their main characters.

Rita: I think that my favourite series at the moment is Get Real. It is about an American family with two sons and a daughter. The daughter's name is Megan. I like her character very much. She is 17 years old. She has got long, dark brown hair and dark brown eyes. She is quite hard-working but she doesn't have plans to study at university. She hasn't got many friends because she is quite shy. I like the series because it is about the real problems in young people's lives. At first it looks like a comedy but then it changes into a real drama.

Meg: I must say I prefer comedy to drama. My favourite TV series is Gilmore Girls. There are two main characters, a single mother and her daughter, a 17-year-old girl called Holly. She is not very tall and has got long brown hair. Holly is a very good student and an ambitious person. She always reads books and works very hard. She hasn't got many friends because she is now in a new school. Holly is quiet and not very outgoing, but her mother is a real rebel. I sometimes think that Holly is a kind of a parent and her mother is a little girl.
